(flashcard 1) **I like doing my chores.**

(flashcard 2) **Well, maybe not all of them but most of them.**

(flashcard 3) **Hmm, maybe not most of them. But a lot of them.**

(flashcard 4) **Okay, maybe not a lot of them. But a few of them.**

(flashcard 5) **Well, maybe not a few of them but ... None of them!**

(flashcard 6) **Just fooling ... I really do like doing my chores.**

(flashcard 7) **When I do my chores, it helps my Mommy and Daddy, and as you know Mummies and Daddies sometimes need a lot of help.**

(flashcard 8) **When I do my chores, it makes me feel important and I like to be important. Don't you?**

(flashcard 9) **Sometimes I get bored so I do some chores, even if they are not my chores.**

(flashcard 10) **Sometimes I have chores that I do not like to do. When that happens I make up a silly game and that makes the chore easier.**

(flashcard 11) **Like yesterday, I had to put my laundry away and I pretended that I was hiding it from my mommy. It was fun and I think I remember where I put it.**

(flashcard 12) **Just fooling ... It is in my dresser where it belongs.**

(flashcard 13) **Sometimes when all my chores are done, we go to the park or have other special time.**

(flashcard 14) **I know if my chores weren't done we wouldn't be able to do that.**

(flashcard 15) **"So be important and have some fun. Do your chores until they are done."**
