

Ending song

If you enjoyed our time together, sing along

If you can't wait for next class, high five!

To get ready for what follows, tidy up

See you next time dear teacher, good bye!

It's not goodbye with Vivadi

The things I learnt today will always stay in me

It's not goodbye with Vivadi

We are all in this together

We'll do it you and me

We'll be a big great family
